

# interior styling process

## STEP 1:

### *consultation*

#### **Client Briefing Meeting .**

An onsite consultation between the designer and client to discuss preliminary ideas and styles, relevant products and the client's budget.

#### **Styling Brief Establishment .**

Outline styling brief requirements to be documented in styling proposal.

Measurements and photos will be taken for reference notes and depending on the extent of work another meeting may have to be arranged to take detailed measurements for a sketch plan.

#### **CONSULTATION**

\$165.00

## STEP 2:

### *conceptual styling*

#### **Styling Agreement .**

Styling Agreement for conceptual styling be signed off by the client prior to commencement of concepts.

#### **Conceptual Styling .**

Following the initial consultation the designer will develop concept illustrations, inspirations and colour palettes for consideration by the client.

Colours, textiles and finishes will be presented and discussed.

#### **CONCEPTUAL STYLING**

STYLING FEE ESTABLISHED

## STEP 3:

### *detailed styling*

#### **Detailed Styling .**

Once a conceptual style is agreed by client and designer, detailed room layouts and/or elevations are established.

#### **Finish & Textile Samples .**

Finish & textile samples provided and presented on board or sample package.

#### **Quotation .**

Detailed quotation provided for client's consideration.

#### **DETAILED STYLING**

INCLUDED IN STYLING FEE
